

Online Webinar

FINANCIAL PLANNING: 8,000 DAYS OF RETIREMENT

Tuesday, May 19 at 10:30 am

Online event hosted by University House Issaquah

How does living longer and having more time in retirement impact your financial plan? This online seminar will give strategies on how to stretch your dollar to enjoy more of what you love.

Kelli Young has more than three decades of experience in the investment and insurance industries on the individual and institutional level. Through her collaborative approach, Kelli provides comprehensive financial planning and investment management advice with a focus on retirement and longevity planning.

Investment advice offered through Golden State Equity Partners, DBA Longevity Wealth, A Registered Investment Advisor. The opinions voiced in this material are for general information only and are not intended to provide specific advice or recommendations for any individual. Any performance referenced is historical and is no guarantee of future results.
